FUNERAL SERVICES FOR DAVID OKE HELD AT REGINA TUESDAY

David Oke, 85, died at the home of his son, Harold E. Oke, in Didsbury on Friday afternoon, April 18. Born in Oshawa, Ont., he came with his family to Alberta in 1912 and settled at Medicine Hat. Later he moved to Hanna district where he lived until his retirement in 1935. Last fall he came to Didsbury to reside with his son.

Surviving are two sisters, Mrs. Spencer, Edmonton, and Mrs. Arnot, Morden, Man.; five sons, Wesley of Regina, Charles of Nipaw, Man., Harold of Didsbury, Albert of Edmonton and Norman of Kansas City. A daughter, Mrs. Ramsay, resides in North Dakota.

Funeral services were held at Regina from Spers Funeral Home on Tuesday, April 22nd, with Rev. Morris of Regina officiating burial followed in a Regina cemetery.

LEO NICHOLS TAKES OVER WHITE ROSE SERVICE FROM R. DYCK

Another business change was made in Didsbury this week when Leo Nichols traded his farm equipment for R.R. Dyck's garage equipment at White Rose Service in town. In the deal Mr. Nichols will take over the garage business and Mr. Dyck will take over the farm eight miles southeast of town.

Mr. Nichols assumed control of White Rose Service on Tuesday and is now open for business.

Special Services for Anniversary Of Lutheran Missouri Synod

On April 27 of this year some 4,700 congregations will individually celebrate the 100th anniversary of the Lutheran Missouri Synod while mass celebration of the centennial will be staged in Chicago during July in connection with the triennial convention of the Synod.

Rectorem Lutheran Church of Didsbury, served by Rev. E.B. Fox, as a member of the Missouri Synod, will also commemorate this anniversary with a special service at the Lutheran Church in Didsbury on April 27 at 11 a.m. The phenomenal growth of this conservative church body is reflected in the latest statistics. Organized in Chicago on April 28, 1847, with 16 congregations numbering less than 4,000

souls as charter members, it now has 1,565,000 adherents and is the largest individual Synod of the Lutheran faith. While its present numerical strength is concentrated in the Central and Midwestern States, it has churches and mission stations in every state of the union as well as in Canada, Alaska, Cuba, Mexico, the Hawaiian Islands, England, Panama, South America and Australia.

The Missouri Synod is divided into 33 districts, each free to elect its own officers and to control its own internal affairs. The present Canadian districts, Alberta and British Columbia, Saskatchewan and Manitoba, and Ontario, have a membership of 44,000 while the two South American districts have 65,000 members enrolled. Foreign mission work is carried on in India, China, Africa and the Philippine Islands. Some 4,000 active pastors and missionaries are on the Synod's roster while 1,000 ministerial students are enrolled in its colleges.

The only Canadian college of the Missouri Synod is located in Edmonton, Alberta. The Didsbury parish numbers 244 souls, has an active Sunday School of 40 children, a Saturday School of 33 children, a Walther League of 22 members, and also an active Ladies' Aid Society. This church body ascribes much of its success to its emphasis on Christian education.

FAREWELL PARTY FOR MR. AND MRS. A. SCHMIDT

Mrs. C.J. Hallman was hostess to a farewell party last week for Mr. and Mrs. A.D. Schmidt who left friends and relatives assembled at the Bible School.

A very enjoyable program was presented by a number of artists, and a few words of appreciation spoken to Mr. and Mrs. Schmidt for their good works in the Church and Sunday school. Prior to lunch Mrs. Burgess presented a lovely cup and saucer to Mrs. Schmidt on behalf of the Young Women's Missionary Society, and Rev. D.C. Eby presented them with a plastic tray from the friends present.

Mr. and Mrs. Schmidt will be missed by their many friends at Didsbury who wish them success in their new venture.

WALTHER LEAGUE MEETS AT HOME OF MRS. A. KREBS

The Walther League of Redeemer Lutheran Church met at the home of Mrs. Annie Krebs on April 15. The discussion centered around Mount Nebo and especially around the question, "Must we tread the judgment of Christ?" It was shown that the unbeliever faces this judgment with dread, but the believers look forward to it with joy and expectation. In the business session two new members were received, bringing the League membership to 26. The members also decided to order Walther League pins. After a short rehearsal of the play, "An Old Fashioned Mother," a delicious lunch was served by the hostess.

NEW TRAFFIC CONTROL FOR ALASKA HIGHWAY

New control plans are being worked out for the Alaska highway, according to information received by the Alberta Motor Association.

Apparently tourist travel restrictions will not be removed this year. These will be administered by the R.C.M.P. which has been charged with the responsibility of enforcing regulations which formerly were handled by the Alaska highway traffic control board.

Various details are being worked out by the responsible federal officials. One of the changes will be to have the travel permits issued by the police at Blueberry, B.C., which is 50 miles up the highway from Fort St. John, or 101 miles from Dawson Creek, the southern end of the highway.

While the police still will make inspections as to the road-worthiness of cars before permits are issued, it is understood that certain changes in regulations are under consideration and will be announced shortly.

Meantime, there is no doubt that large numbers of U.S. tourists are planning to drive north over at least part of the highway this year.

J.H. GLOCKZIN SELLS STORE BUSINESS TO W.K. SNYDER, M.S. COBER

A deal was completed last week whereby the J.H. Glockzin grocery store was sold to W.K. Snyder of Didsbury and M. S. Cober of Kitchener, Ontario.

The new owners take over the business on May 1st and we understand they plan to operate an electrical business along with the grocery store.

SPRING WORK COMMENCES ON LAND IN DISTRICT

While spring in this part of Alberta broke early this year, snow storms have caused excessive moisture and the soil has been slow in drying out sufficiently to allow machinery on the land. However, despite cooler weather a number of farmers both east and west of town have commenced spring operations, especially on higher ground, and it should not be long now before all farmers are busy putting in their crops.

With higher prices for oats, barley and flax it is expected that a large acreage will be sown to coarse grains in the Didsbury district again this year. Moisture conditions, as usual for this part of Alberta, are again ideal and farmers generally are planning to seed all land possible this spring.

MELVIN NEWS ITEMS

Mr. and Mrs. A.E. Krebs were Calgary visitors for a couple of days last week. We hear August has all his teeth out now.

Don't miss the big dance at Melvin this Friday, April 25th. Music by the Merry-makers.

This is an account of a wedding from the groom's point of view. Mr. Herman S. Wallen, son of Mr. and Mrs. V.L. Wallen of Didsbury became the bridegroom of Miss Wynne Moon at 2:30 Tuesday afternoon, April 8th. As the groom approached the altar he was the cynosure of all eyes. Blushing prettily he replied to the questions of the clergyman in low tones but firm.

He was charmingly clad in a three-piece suit consisting of a coat, vest and pants. The coat of dark material was draped about his shoulders and tastefully gathered under the arms. A pretty story was current among the wedding guests that the coat was the same one worn by his father and grandfather on their wedding days. The groom's pants were of dark worsted and were suspended from the waist, falling in a straight line to the floor. The severe simplicity of the garment was relieved by the right pantaloons which was caught up about four inches by a Boston garter worn underneath. Beneath the vest the groom wore blue galluses attached fore and aft to the pants and passing in a graceful curve over each shoulder. His neck was encircled with a collar characterized by the delicate pearl tint of old fashioned celluloid and around the collar a cravat was loosely knotted, exposing a collar button of bright metal.

As the bride led the groom from the nuptials it was noted that she wore a conventional veil and orange blossoms.

MRS. W. COLLINGE HONORED AT BIRTHDAY PARTY

Mrs. Sid Hall entertained at her home on Friday evening in honor of Mrs. W. Collinge on her birthday. Cards were played during the evening, honors going to Mr. and Mrs. Erven Rodney and consoling to Mrs. Collinge and Mrs. L. Wollen. A lovely lunch, including a beautiful birthday cake, was served by the hostess. Mrs. Collinge received many useful gifts for which she thanked her friends in a very pleasing manner. The evening came to a close with the singing of "Happy Birthday."

TOWN COUNCIL PASSES 5 P.C. DISCOUNT BY-LAW

Mayor H. Lynch-Staunton and Councillors Bowman, Parsons, Gilson, Cathness Reiber and Kimmel were present at the meeting of the Town Council on Monday night, when the main business conducted was the passing of a by-law to allow a 5% discount on all current taxes if paid before October 31st in the year levied. This by-law will remain in force until amended or rescinded.

Chris Flanagan, representing the Didsbury Lions Club, was present and protested that the power vote was too high in some parts of town and thought that some adjustment should be made. Several applications were received from prospective home owners for building lots.

GIVE TO THE CANCER FUND

Feeder Subsidy on Oats and Barley to be Discontinued July 31

The feeders' subsidies of 25c a bushel for barley and 10c a bushel for oats will be discontinued on July 31st, 1947. This announcement was made last week by Rt. Hon. J.C. Gardiner, federal minister of agriculture.

The feeders' subsidies on oats and barley mainly benefits commercial feeders who do not produce their own grain, and farmers in Eastern Canada who are able to use western feed grains advantageously. The western farmer who produces and feeds his own oats and barley can obtain no benefit from such subsidies.

Hope for the greatest increase in hog production lies in the expansion of the industry in Western Canada and particularly in Alberta. Evidently federal authorities feared western farmers would sell their surplus grain in commercial channels under the subsidy system, instead of feeding it to hogs.

After August 1st, there will be no subsidies to feeders in oats and barley. This may result in increased hog production in Western Canada and particularly in Alberta. The trend has been downward during the past few years, but last autumn agricultural authorities noted a reversal and increased interest in hog raising among farmers.

A fund to aid in the prevention of the spread of that dread disease, cancer, is now being raised in Canada and the United States, and local citizens are being asked to help by contributing funds to this worthy cause. When it is remembered that one out of ever eight persons die each year from cancer, and that no one is secure from this fatal disease, it can be readily realized why money is so urgently needed to carry on a preventative campaign now.

In Didsbury a canvass will be made for funds, commencing Thursday, April 24th, and the Mons Chapter I.O.D.E. is sponsoring the collection campaign. Members of this organization will make a house-to-house canvass and householders are asked to have their donations ready and become worthwhile members of the Society.

The campaign will also be conducted in the country where all Women's Institutes will sponsor the drive. With both town and country organized for the cancer campaign it is hoped that Didsbury can do its share to help stamp out this dreaded disease—Cancer.

DIDSBURY AND DISTRICT SUB-LOCAL A.T.A. MEETING

An enjoyable meeting of the Didsbury and district Sub-Local of the Alberta Teachers' Association was held in the Didsbury high school Saturday afternoon, April 19th. The teachers were present to hear reports of conventions and to discuss school problems.

Mr. E.T. Wiggins, newly-elected vice-president of the Alberta Teachers' Association, and representative for the Olds Division, gave a report of the annual convention of the A.T.A. held in Edmonton during Easter week. Mr. H. Stiles brought a report from the Salary Negotiating Committee for the Olds Division.

Mr. Booker of the Gore rural school told of her impressions of the Home and School Association convention which was held in Olds early in April.

As the May meeting of the Sub-local will be the last of the term it was decided it should take the form of a picnic on May 10th. Details of the arrangements will be sent to all teachers of the Sub-local within a few days.

After the meeting adjourned the members enjoyed the tempting refreshments provided by Messrs. Stiles, Wiggins, Stauffer and Flanagan of the Didsbury school staff.

WESTERDALE NEWS NOTES

A very enjoyable evening of court whist was held at the home of Mr. and Mrs. W. Herbert last Wednesday evening when 32 persons made up eight tables. Top honors were won by Mr. and Mrs. Morphy, with consolations going to Mrs. B. Collinge and Mr. John Schrader.

Mr. and Mrs. A. Anderson are leaving this district on Saturday to reside in Calgary. We extend to them our best wishes.

Mrs. Ben Kershaw and Greta spent Saturday and Sunday with Mr. and Mrs. T. Collinge of Acme. We were sorry to learn that Mr. R. Nimmons had the misfortune to lose a finger while sawing wood at Mr. D. Landen's last Wednesday.

CLEAN-UP TIME IS HERE

Spring is here and clean-up time is at hand. Indications are that local citizens as a whole are glad to be out of doors once more, and they have commenced to clean up yards and get rid of the leaves and rubbish that have long been hidden by the covering of winter snow. It is a sign that citizens appreciate the tidiness of their home surroundings when they take the trouble to make their property presentable for all to see.

Others, however, are a little lax when it comes to gardening and outside work. This is a mistake, but of course one can do what he pleases in this country—as it should be—and it is not for us to criticize.

Didsbury is one of the few towns in Alberta that is blessed with numerous trees along our streets and on private property and we are proud of it. We should strive to keep the town in a presentable appearance and we can only do this by keeping our property in a like condition.

Let's all strive this year to make Didsbury a clean-looking town, by tidying up our premises, removing rubbish and trash from our back alleys, and at the same time have the satisfaction of doing our part to make the town a clean and beautiful place for citizens and visitors to enjoy.

NOTES FROM THE WEST

Mr. Ed Parker, who spent the winter with his brother at Killam, is back visiting in the district.

Mrs. A.L. Hogg, accompanied by Mrs. O. Krebs, visited the Bancroft W.I. east of Carstairs, last Wednesday and saw about 75 to 100 swans on a large slough about two miles west of Bancroft school. They were really a beautiful sight. The Ladies Aid of Westcott United Church met at the home of Mrs. P. Hoesgood last Thursday.

WEDDINGS
CARLIN-BUHR

A spring wedding was solemnized at 6:30 p.m. on April 14 at the Hillhurst United Church, Calgary, when Adeline Sarah, second daughter of Mr. and Mrs. E. Buhr of Didsbury, became the bride of John Hill Carlin, only son of Mr. and Mrs. L.E. Carlin of Calgary. Rev. A. Marsh performed the ceremony.

The bride, given in marriage by her father, wore a floor-length gown of white satin and net. The fitted satin bodice featured an off-the-shoulder neckline and was fastened at the back with satin covered buttons to the waist from which flared a satin bustle edged with pleated net. The bouffant skirt was of silk net. She wore mitts which tapered to lily points over her hand and carried a bouquet of sweetheart roses. A three strand necklace of pearls, the gift of the groom, completed her costume.

The bride's only attendant was her sister, Dorothy, who wore a floor-length gown of blue net and a coronet of blue carnations in her hair. She carried a bouquet of orange carnations and wore a gown of black and white.

J. Hanson of Calgary was best man. Tommy Thompson and Bert Buhr acted as ushers. During the signing of the register Joyce Buhr sang "Because."

After the ceremony the bridal party, Mrs. Buhr and Mrs. Carlin received 50 guests at the Sky Room. The bride's mother wore a tailored black pin stripe suit with black and white accessories and wore a corsage of red roses. The groom's mother was dressed in black and wore a corsage of pink roses.

After the reception the couple left for Banff. For travelling the bride wore a brown gabardine suit with pale blue and brown accessories. She wore a corsage of roses.

The happy young couple will reside in Calgary.

REWARD OF CLEAN LIVING

The motorist had just crashed into a telegraph pole. Wire, pole and everything came down around his ears. They found him unconscious in the wreckage and as they untangled him he reached out feebly and fingered the wires and murmured, "Thank heaven, I've lived clean. They've given me a harp."

WEDDINGS

WOLLEN—MOON

A wedding of interest to Didsbury residents took place in St. Stephen's Church, Olds, on Tuesday, April 22, when Winnifred Isabelle, youngest daughter of W.C. Moon of Didsbury became the bride of Mr. Herman Wollen of Buford, Alberta, second son of Mr. and Mrs. L. Wollen of Didsbury. Father McLellan performed the ceremony.

The bride was given in marriage by her father and was attended by Miss Mary McGilvery and Miss Lois Krebs. The bridegroom was attended by his brother, Vernon Wollen of Didsbury and Mike Sikora. The ushers were Mervyn Wollen and Mr. Sikora.

The bride wore a floor-length gown of ivory satin fashioned with a nylon velvum top with long sleeves. Her floor-length veil was held in place with a braided satin halo. She carried a beautiful bouquet of red roses arranged in fan shape with a pearl rosary entwined. The maid-of-honor, Miss McGilvery, was attired in a floor-length gown of yellow nylon marquisette and carried a bouquet of Horseshoe carnations. Lois Krebs, bridesmaid and cousin of the bride, wore a pale blue nylon marquisette and carried a bouquet of pink carnations. Both attendants were matching chapel veils. The bride's only jewelry was a double strand of pearls with matching earrings, the gift of the groom. Little Noreen Nelson, niece of the bride, was flower girl. She wore a mauve taffeta gown with bouquet to match and carried a nosegay of mauve and yellow forget-me-nots. Burry McGiffin, the bride's nephew, clad in a white linen suit with black bow tie, acted as ring bearer.

During the signing of the register Bob McGiffin played a violin solo, "Ave Maria."

The church was beautifully decorated for the occasion and the bride entered the church on the arm of her father to the strains of the Wedding March played by Miss Millie McLean.

A reception in honor of the bride and groom was held in the Melvin Community Hall with 130 guests

present. The bride's aunt, Mrs. A. Esler, and the groom's mother received the guests. Mrs. Esler wore a figured green silk dress with a flowered hat and a corsage of Tallman roses. Mrs. L. Wollen wore a figured jersey dress with a flowered hat to match and a corsage of American Beauty roses. The hall was decorated with pink and white streamers while daffodils adorned the table which was centred with a three-tiered wedding cake.

The blessing was asked by Father McLellan and the toast to the bride was proposed by Ace Esler and fittingly responded to by the groom. Serving table were Jean and Alwyn Krebs, Maxine Wood, Jean Brown of Olds and Margie Sawiak of Calgary. Caterers were Mrs. Bill McGiffin and Mrs. Evelyn Peck.

For travelling the bride wore a beige and brown checked wool dress and chocolate brown top coat with matching accessories. Hermie (as he is familiarly called) and his charming bride, Winnie, departed for a short honeymoon in Banff, and on returning will reside in Buford, Alta., where the groom's business is located.

Out of town guests were: Mr. and Mrs. Carl Sanderman, Storm Lake, Iowa; Walter, Nellie and Marjorie Sawiak, Calgary, Alberta; Mrs. Ken Planniden, Buford; Mr. and Mrs. H. Thompson and Lynne, Buford; Mr. and Mrs. J. Noble of Okotoks; Norma Boettger, Cremona; Miss L. MacLean, R.N., Flo. Sherman, R.N., H. Perry, Ev. Kaufman, Verna Devolin, Mr. and Mrs. Devolin, Mr. and Mrs. Max Hearst, Mr. and Mrs. Leo Sanderman, Mr. and Mrs. Louis Wollen, and Doris St. Clair, all of Calgary; Mr. and Mrs. Leonard Sanderman, Three Hills and Fred Sanderman.

PLANNING FOR FLAX

To farmers who are planning on seeding flax this coming season, the Lethbridge experimental station's recommendations for varieties will be of interest. That station points out that Bison is the most popular since it is a good yielder and well liked by insect oil manufacturers. Royal is a better yielder than Bison but it ripens unevenly and is 4 to 6 days later. Redwing ripens almost a week earlier than Bison but is definitely a low yielder.

Information is not knowledge.

Housecleaning Drives "Empties" Into the Open

Housewives Join Search For E. B. Bottles
Hundreds of housewives in Alberta's rural and urban districts are reported today to be co-operating in the extensive search to apprehend E. B. Bottles, missing from duty for several months.

"Bottles," commonly known by the full name of "Empty Beer Bottles" and also under the alias of "Empties," may be hiding out in closets, basement corners or attics. Housewives in their spring cleaning drive are searching these favorite haunts of "Bottles" in an effort to bring the fugitive to justice. A reward of 20 cents per dozen for apprehension and recovery of "Empties" is offered by Deliveries Ltd.

An acute situation still exists in regard to the shortage of Bottles in Brewing Industry.

Deliveries Ltd., Agents for Alberta Breweries, reports present shortages are due solely to "Bottles" disappearance from work. "Empties" cannot be replaced at this time and anyone knowing the whereabouts of "E. B. Bottles" is urged to communicate with their nearest Deliveries Limited Depot at Edmonton, Calgary, Lethbridge, Medicine Hat, Banff, Blairmore, Camrose, Drumheller or McLean.

CASH REWARD

In Alberta cities, arrangements have been made for taking "Bottles" into custody and paying reward at the household's home. At rural points local freight agents will see that "Bottles" is escorted "Collect" to the nearest Deliveries Ltd. Depot and cash reward will be mailed immediately on recovery.

SIGNS OF SPRING

(By Leslie May)

Yes spring is here. I know it, not because the weather is particularly rainy. It isn't. In fact snow has been falling off and on all morning. Nevertheless an infallible sign of spring has just arrived in the form of one of our neighbors, who has come to borrow our fanning mill again.

This has been one of the first signs of spring for some years past. Of course we always loan it and then beef about it afterwards, when they bring it back minus a few nuts, etc; and plus a few judiciously placed nails which we can never see any reason for having been put there. The screens have, usually been set at a different angle from that which we find necessary to its proper functioning, and all in all it generally takes us at least an hour or two to get it working smoothly again; and right in the midst of the busy season too. By this time we have solemnly vowed several times that "this fanning mill is never going off of this farm again," our spirit of co-operation seeming to have completely forsaken us. But all this will have been forgotten by next spring when our neighbor comes again to borrow our fanning mill.

We used to always know when it was time to put in the garden by the regularity with which one of our neighbors came to borrow our garden plow. One spring he brought his team with him and as we had not yet plowed our garden we suggested that he do it for us before he took the plow. This he did but he profited by the experience to the extent that he never again brought his team for the plow. Instead he came there after in his car to the front bumper of which he firmly lashed to the plow and drove off in triumph. It was very necessary for us to get our garden plowed before this neighbor came for the plow because he had a large circle of relations, none of whom seemed to own a garden plow and by the time it had gone the rounds we were fortunate if we got it back in time to plow the potatoes out in the fall.

A.M.A. TO ISSUE NEW "STRIP" MAPS SOON

More than 100,000 "strip" or sectional road maps will be issued shortly by the Alberta Motor Association. Now that Alberta is preparing for a big tourist year, with the biggest road building program in its history in sight, the demand for these maps will be of record proportions.

The A.M.A. has followed the policy of providing sectional maps that are of great value to motorists. They are checked with the public works department in order that the latest official information is given as to road mileage, type of road surfacing and other data.

These maps also contain listings of the official appointments of the A.M.A. in the region for which the map is issued. These show hotels, auto camps, garages and service stations required by motorists.

There is a large distribution of these "strip" maps to branches of the A.M.A. in Edmonton, Calgary and Lethbridge, and to all official appointments.

Boards of trade, chambers of commerce and various travel agencies also are adequately supplied.

We are suffering from a famine of inspiration.

SLAUGHTER REGULATIONS ARE STILL IN EFFECT

The discontinuation of consumer meat rationing does not in any way affect meat rationing and slaughtering regulations. All slaughtering of meat animals by slaughterers, packers, wholesalers, retailers and farmer producers is under the same control as during meat rationing. With the exception of farmers slaughtering for their own consumption, all meat must be slaughtered under Wartime Prices and Trade Board permit. Defatting of beef and stamping of all meat is still required. Hog quotas are still in effect in the same areas as heretofore and monthly reports of all animals slaughtered, together with dressed weights are now required to be filed by all permit holders with the Regional Office of the Board.

Heart power may prove a more effective answer than man power.

Good News for Farmers

FLAX WILL BRING YOU

\$5.00 per BUSHEL

The Honorable James C. Gardiner announced March 17th that, effective August 1st, the price for 1947 flax crop will be \$5.00 per bushel, basis No. 1 C.W. Fort William. Flax is now Canada's most profitable crop.

Not only Canada, but the whole world needs edible and commercial fats and oils. The flax you will grow supplies linseed oil for paint, linoleum, printers' ink, rubber, metal castings... shortening, even livestock feed. Plan to grow maximum acreage in flax this year and every year. Special re-cleaned flax seed is now available to help you get started. EARLY INSTINCTS

A Scotsman who wanted to learn what profession he would have his son enter put him into a room with a theological work, an apple and a sixpenny piece. If he found him

when he returned reading the book, he intended to make a clergyman of him; if eating the apple, a farmer, and if interested in the money, a banker. When he did return he found the boy sitting on the book, with a sixpenny in his pocket, eat-

ing the apple. "That settles it," said the keen Scotsman. "The lad's a born lawyer."

Great Britain will be again when a lot of little Britons become great.

NOTES FROM THE EAST

The Girl Guides of Sunnyslope will hold a program and pie social on Friday evening, April 25 at the Sunnyslope hall. Everybody welcome.

Roy Dowell and Ray Schumaker were Sunday guests with Mrs. Dowell at Fred Metz' home.

Miss Claire Wood and Miss Mason spent the week end at their respective homes.

It is understood that Normal teachers are to replace supervisors beginning the first of May. A Miss Smith from Edmonton is to take the Burnside school.

The Girl Guides program, box social and dance drew a nice crowd on Wednesday evening last. Everyone enjoyed the program and the boxes sold were some of the prettiest of the season. Fred Metz did a splendid job of auctioneering for the girls, getting every cent to be had for each box. We hope the girls benefited greatly from the proceeds of their efforts.

Mr. and Mrs. Earl Wood left this district on Thursday morning by truck for their new home at Vauxhall. We extend best wishes for their success in their undertaking.

Mr. Hugh McLean returned home from Calgary recently where he had been holidaying with his daughter and family. Mrs. F. Nelson. Mr. McLean has been fighting a very bad cold and after effects of flu.

Mr. Joe Dick of Didsbury bought several loads of cattle from Shells Bros., Harold and Bruce, on Monday. As the frost is going out the trucks had considerable trouble, having to unload and reload cattle after getting mired down.

The infant son of Mr. and Mrs. Joe Hunter is ill in the Didsbury hospital suffering from an after effect of the measles in the form of "boils."

Several of the Jutland neighbors enjoyed a social evening of cards at the home of Mr. and Mrs. Alfie Thomson this week. A few of those present were Mr. and Mrs. Walter McCulloch, Mr. and Mrs. Wm. McCulloch and Mr. E. Topley.

Prior to leaving the district Mrs. E. Wood and baby spent Monday last visiting with Mrs. Coates. Mr. and Mrs. Wm. Coates and family were Sunday guests with Mr. and Mrs. R. Vinie and family of Rugby.

Some of the children who were present at the program on Wednesday last told the reporter: "Say, that teacher, Miss Willison, could make you laugh even if you didn't want to. You should a' seen her driv'n a car, jerk'n levers, a step'n on the gas. Boy, oh boy, I laughed."

CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us a precious memory. Our sincere thanks and gratitude for all those comforting acts.

The Ranson Family

CARD OF THANKS

I wish to thank all who sent flowers, etc., and for kind remembrances while I was in the hospital.

BURNSIDE NEWS NOTES

Born to Mr. and Mrs. Tom Noble of Calgary on April 15th, a daughter, Judith Agnes. Congratulations.

Mr. and Mrs. Ivor Weber were Calgary visitors last Thursday. George Clarke and his sister spent Sunday with Mr. and Mrs. Sam Elliott and family.

Born to Mr. and Mrs. Idris Jenkins of Claresholm on April 18th, a son.

Everything and everybody is rainin' to get on the land and tractors were noticed running late last week on some of the neighboring farms. Some of the first to commence spring work were Dick Jenkins, Walter McCulloch and Bob Eckel, although a number of other farmers have also started to work the land.

Pat Sprague took a truck load of bridge timber out last week for the new bridge near his place, and it won't be long before traffic will once more be passing over the new structure in this locality.

Dick Jenkins' new residence is up on the "Lieper" quarter and we were glad to see lights gleaming once again on this farm.

BERGEN NEWS NOTES

Paul Baerg and Paul Toews came to Bergen to load a Ford tractor that had need of a right tire.

Elijah Woods has moved onto the Rai Sells place. If he gets sick, there are no ravens near here to carry him food.

The Baughman boys have a new Chevrolet truck.

There is a good supply of snow in the brush it may melt by May 1st. We do appreciate bits of dry road.

Mrs. Lyle is cooking at the Lyle sawmill while Mr. Lyle is bachelor as well as cattle wrangler.

James Gamble attended some of the Chas. E. Fuller meeting at Three Hills and then returned to his school in Chilliwack, B.C.

Howard Stevens was out to the Valley on Saturday to see how the jackpine savages had endured the deep snow and how his goats stood the winter.

Mrs. Bill Gamble has moved to McGee, Sask. Bill may go to Saskatchewan to put in a crop and then return and do some custom planing.

John MacDonald has returned to his place on the SW. of 32-31-5 for a season.

Thora has been managing her store at Bergen for two weeks, assisted by Miss Karen Stromsnoe of Washington.

Harry Ball, who has rented Henry Nelson's place, brought his cattle out on Friday.

They say the Bergen and Elkton people cut their winter's wood on section 37, but section 44 was entirely too far away.

SERVICES AT BERGTHAL

Rev. J.J. Sawatzky from Calgary will be the guest speaker at the English service to be held in the Bergen church on Sunday, April 27th, at 8 p.m. Special singing and music will be supplied by the local young people. All are invited to attend.
